SELINA – measures in style!

Precise humidity sensor

4 mm slim housing

Is it dry, humid, hot or cold? Selina provides the answer. The hygrometer lady is equipped with state-of-the-art technology and measures air humidity and temperature precisely. Selina is sleek and elegant and fits harmoniously into any living environment. The slim lady convinces with a „waist" that is just 4 mm wide. Selina monitors the room climate in style and thus helps you to select the right Stadler Form appliance.
